29	30	31				
		<b>Notes</b> <i>Please note that we try to stick as closely to this schedule as possible, however we occasionally do have to change our field trip due to unforeseen circumstances. This schedule is subject to change. Students should ALWAYS wear tennis shoes, however on days where specific footwear is listed, it is REQUIRED for that Days Activity.</i> Camp shirts should come in clean every Monday with Uniform and we will have the children change into them on required days
